

WEASENHAM PARISH COUNCIL

Safeguarding Policy

Adopted: April 2020
Reviewed: July 2026
Next Review: July 2028

Policy Statement:

In the interests of child protection and the welfare and protection of vulnerable adults, the Parish Council is committed to ensuring that children and vulnerable adults are protected and kept safe from harm whilst they are engaged in any activity associated with the Parish Council.

Policy Objective:

- To ensure that where possible all facilities and activities offered by the Parish Council are designed and maintained to limit risk to children and vulnerable adults.
- To promote the general welfare, health and development of children by being aware of child protection issues and to be able to respond where appropriate as a local government organisation.
- To develop procedures in recording and responding to accidents and complaints and to alleged or suspected incidents of abuse and neglect.
- As the Parish Council does not directly provide care or supervision services to children and vulnerable adults, it expects all children and vulnerable adults using its facilities to do so with the consent and the necessary supervision of a parent, carer or other responsible adult.

Aims:

The aim of this policy document is to guide members of the Parish Council, any co-opted members of Committees and volunteers assisting the Parish Council, should any child protection issue, or any issues with vulnerable adults, arise during their work.

Responsibilities & Procedures:

The Clerk has been designated as Safeguarding Officer and the responsibilities will include:

- Ensuring that participants are appropriately briefed before any Parish Council-organised event with children or vulnerable people.
- Ensuring that members are aware of the risk they may face in certain circumstances whilst carrying out their duties.
- Ensuring that whilst Council members are unlikely to be involved with children during the performance of their duties, they are mindful of the risk they face.
- Ensuring that before any volunteers or paid members of staff are recruited to work with children and vulnerable persons, they are interviewed and two references taken up.

Decisions on whether any person should be DBS checked will be made by the Council, or the Clerk after consultation with the Chairman, following a risk assessment.

All new Councillors are to be provided with a copy of the Safeguarding Policy and are required to acknowledge they will abide by it.

Councillors will adhere to this list of recommended behaviour namely:

- A minimum of two adults present when supervising children.
- Not to play physical contact games.
- Adults to always wear appropriate clothing.
- Ensure that a written record is made and kept of any accidents or incidents.
- Never do anything of a personal nature for a young person or vulnerable adult.

- Keep records of any allegations a young or vulnerable person may make to any councillor or employee.

Any concerns or incidents must be referred to Norfolk County Council.

The Parish Council's play area is inspected on a regular basis and at least annually by a representative of RoSPA.

Declaration:

All members of Weasenham Parish Council, committee members and volunteers assisting the Parish Council should read this Safeguarding Policy.

Having read the Policy, they should be proactive in providing a safe environment for children and vulnerable people who are involved in Parish Council activities.
