

## **Poppy Wreaths**

**14 January 2026:** [Wording redacted] can you please confirm if Cllr Mrs Tidman laid one of the two council Poppy Wreath on the Remembrance day.

**Parish Council Response:** Regarding your Freedom of Information requests dated 14 January 2026, we provide the following information.

The Freedom of Information Act (FOIA) lets members of the public ask to see information held by public authorities. The information requested must be recorded in some form (e.g. documents, emails, data).

As was explained by the Chairman at the Parish Council Meeting on 4 November 2025, the Remembrance Day service, including wreath laying, was not a Council-led event and was raised at the meeting purely for information purposes. For this reason, no record was kept of the proceedings.
